History of Masters Lacrosse in BC

Masters Lacrosse started in 1988 in Prince George, when 4 teams, the Vancouver Coasters, Okanagan Masters, PG Blues and PG Old Stylers took part in the inaugural provincial championships. The Okanagan team defeated the Coasters 8-7 in the inaugural provincial Championships..

Bruce Long, who was one of the tournament organizers, was named as the first commissioner of the BC Lacrosse Association's Master's Division.

For the next two years (1989 and 1990), the annual championships were hosted by Prince George, with the number of teams increased to five.

Eleven teams participated in the 2007 Memorial Masters Lacrosse Championship
